

Securing Resources in Wayne County, MI

During these unprecedented times it is imperative that NDS clients and others have access the services and assistance necessary to meet their basic needs.

Below is a brief guide to accessing various supportive services through Detroit, Wayne County and S.E. Michigan.

HOMELESSNESS:

Detroit, Highland Park and Hamtramck utilize the Coordinated Assessment Model (CAM) system. The Coordinated Assessment Model (CAM) is a systematic approach to homelessness that focuses on aligning the needs of individuals and families experiencing homelessness or at imminent risk of becoming homeless to available shelter and housing resources. Individuals in need of transitional housing can contact the CAM intake line at **313-305-0311**. Currently CAM intake facilities are closed as a precaution against the spread of the Corona virus.
